

- Mr. Speaker, I rise in honor of the National Court Reporters Association's Court Reporting and Captioning Week.
- The NCRA supports and promotes excellence among those who capture and convert spoken words to text. These skills provide a foundation of public transparency for our courts, government hearings, and even our very own House of Representatives.
- Court Reporting and Captioning Week is a nationwide initiative. It brings awareness to the importance of the work that court reporters and captioners do. Without the records they provide, assuring accountability and oversight over government institutions would be impossible. For this reason, court reporters, captioners, and the NCRA stand as part of the foundation of our democracy.
- Mr. Speaker, I commend the NCRA for its work and the work of its members, and I congratulate the NCRA on celebrating Court Reporting and Captioning Week.
