UNITED STATES SENATOR

November 13, 2026

Dear Friends,

It brings me great pleasure to congratulate everyone at the New York State Court Reporters Association (NYSCRA) on celebrating the organization's 150th anniversary. I appreciate the steadfast efforts of the hardworking court reporters of New York, and I am proud to honor them as this important organization reaches this incredible milestone.

I am grateful to organizations like the NYSCRA for their unwavering commitment to stenography as well as New York's Court System. Your work to support stenography as a career is truly commendable. From working with students of stenography to offering informative lessons, the NYSCRA's leadership and staff ensure New York's courts will always have proper reporting. It is my sincere hope that your work will inspire others to enact positive change within their own communities.

Once again, congratulations on achieving this remarkable milestone. Please accept my best wishes for many more years of continued growth and success.

Sincerely,

Kirsten Gillibrand
