Dear Friends:

Please accept my warmest greetings as you gather with the New York State Court Reporters Association (NYSCRA) for its 150th Anniversary and 2026 Convention. I am grateful for the opportunity to recognize the incredible work that it does to advocate for court reporters across our state, along with its leadership and members on this wonderful occasion.

Since its inception in 1876, the New York State Court Reporters Association has remained steadfast in its mission to uphold the highest standards of excellence in court reporting, promote the professional welfare of court reporters, and foster cooperation among court reporters, the courts, and members of the legal profession. Throughout its rich history, NYSCRA has provided invaluable resources, professional development, and networking opportunities to support court reporters in advancing their careers. Additionally, the Association has worked to strengthen the future of the profession by engaging and inspiring younger generations to pursue careers in court reporting.

On behalf of all New Yorkers, thank you for your hard work and unwavering commitment to the court reporting profession. Through its work, the Association has empowered court reporters to do their jobs effectively, preserving integrity in judicial proceedings and ensuring accurate records and justice throughout our legal system. I know that NYSCRA will continue its outstanding work for years to come. Best wishes for a wonderful event!

Sincerely,

Charles Schumer
